Dear Muhammad:

On behalf of the Faculty of Graduate Studies, I am pleased to extend to you an offer of admission to the following:

MSC- Computer Science Master's Candidate(M2) 2010 Winter

Offers of graduate assistantship and other financial support, if available, are made directly through the department to which you have been admitted.

A reasonable minimum estimate for living expenses for a graduate student with no dependents is \$10,000 for twelve months (\$14,000 with one dependent). These expenses are in addition to tuition fees and travel costs to and from the University of Windsor. You should ensure that sufficient funds are available to you in Canada to meet all your needs before you accept this offer.

Details regarding tuition fees, length of program, and last date for registration are contained on the reverse of this letter.

To ensure your place in the program and to facilitate our financial and academic planning, please complete the enclosed **Acceptance Response Form**, sign it and return it in the enclosed envelope. Any terms or conditions that apply to this admission are noted on the **Acceptance Response Form**. *Please retain a copy of the Acceptance Response Form for your records.*

The Acceptance Response Form also contains your student identification number (ID) and personal access code (PAC). Please take note of these numbers as you will need them to register on-line and to access services on the University of Windsor's website at www.uwindsor.ca.

Please refer to the University of Windsor Graduate calendar for detailed program regulations at www.uwindsor.ca/registrat/.

This is our official "Offer of Admission". You can use this letter to apply for a Student Permit to enter Canada.

Thank you for applying to the University of Windsor. We look forward to welcoming you to our campus.

Yours sincerely

James S. Frank
Dean, Faculty of Graduate Studies
