**Welcome Letter for students admitted to
KTH Master's Programme: Water System Technology**

RAHMAN, MUHAMMAD MAHMUDUR, 19901219-F756:

Dear RAHMAN, MUHAMMAD MAHMUDUR

On behalf of KTH, the Royal Institute of Technology, Stockholm, we are pleased to welcome you to the Master's programme Water System Technology starting in August 2010.

Duration of the programme: 2 years of full-time studies (3 semesters course work, 1 semester devoted to thesis writing).

By completion of the programme you will be awarded the Swedish degree: Teknologie masterexamen. Translated into English as: Degree of Master of Science (Two Years).

Start of programme:

Induction weeks: August 17 – 27, 2010 (see separate programme)

Arrival Days: August 17, 2010

Mandatory Registration: August 25, 2010 at 9:00 am, Osqudas väg 6, lecture hall Q1, KTH main campus. (see separate map.)

Upon your arrival and before Mandatory registration day please visit the students desk (School of Architecture and the Built Environment (ABE-School), Drottning Kristinas väg 30, Reception hours: Mon-Thu 1-3 pm) in order to get a folder with practical information for your first weeks in Sweden, as well as your access card to KTH campus and internet account. Please bring passport or ID card, your final diploma and transcript of records in original as well as one set of photocopies of these documents. During the arrival days a former student of the ABE-school, Veronika, will assist me with collecting your documents. You could also turn to Veronika for general information.

For the Mandatory registration day August 25 please bring passport or ID card. On this day you will be registered and welcomed by the ABE-School. During the morning session you will be introduced to the school administration and will be provided with useful information. In the afternoon you will have an introduction to your specific master programme.

Important information for admitted students and the programme for the introduction weeks are found at www.kth.se/studies/master/admitted-students?l=en_UK We recommend that you take a special attendance to the heading "Transition programme". Please also register your arrival information at this website.
