It is with pleasure that I write to tell you that the graduate program in Computer Science has recommended you for conditional admission as a Full-Time M.Sc. Computer Science student starting in the 2010 Fall Grad Term.

At Western, we have an outstanding Computer Science program. However, no matter how industrious and dedicated our faculty, the quality of the program depends on the quality of our graduate students. We strive, therefore, to attract the best and brightest and to offer them an intellectually stimulating and challenging environment. You appear to have both the motivation and skill we seek.

You will not be allowed to register until the following condition(s) placed on your admission have been met.

- You must present your original valid Citizenship and Immigration Canada Study Permit to the School of Graduate and Postdoctoral Studies prior to the official start date of the term in which you begin your graduate degree at the University of Western Ontario. The official term start dates are: Fall - September 1, Winter - January 1, Summer - May 1.

For further information:

- Regarding the School of Graduate and Postdoctoral Studies' regulations and procedures refer to grad.uwo.ca
- Concerning your graduate program, please contact the graduate program personnel in Computer Science

Acceptance of this offer indicates your agreement to abide by all policies and regulations of the School of Graduate and Postdoctoral Studies and the University of Western Ontario.

To accept or decline your conditional offer of admission visit here: grad.uwo.ca/prospective_students. This site will show you the steps required to complete your offer of admission.

You are required to be enrolled in the University Health Insurance Plan (UHIP) or a UWO-approved equivalent plan for the duration of your registration.

We hope that you decide to join us and wish you success in your graduate career.

Sincerely,

Linda Miller, Ph.D.
Vice-Provost (Graduate and Postdoctoral Studies)
