

KTH Land and Water
Resources Engineering

2011-04-12

To whom it may concern

This letter has been written for three purposes:

- 1) Assuring that Muhammad Mahmudur Rahman was accepted and enrolled as a student for Master program in "Master (Two Years), Water System Technology" without tuition fees at KTH Royal Institute of Technology in the autumn semester, 2010.
- 2) Providing my contact information which can be found below, I have agreed to be the contact person from this university that has been requested when applying for reimbursement of travel expenses from the Sweden-Bangladesh Trust Fund.
- 3) Assuring that travel expenses have not been and will not be reimbursed to Muhammad Mahmudur Rahman by KTH Royal Institute of Technology.

Best Regards,
KTH Royal Institute of Technology

Hans Bergh
Director of Studies, Water System Technology.
